

Zero-Waste Starter Kit Checklist (India Edition)

Begin your zero-waste journey with this practical, India-friendly toolkit.

- ■ Cloth Shopping Bags: Reusable and perfect for groceries, fruits, and vegetables.
- Steel or Copper Water Bottle: Avoid plastic bottles on the go.
- Tiffin Box or Stainless Steel Containers: Ideal for takeaways or carrying lunch.
- Reusable Cutlery Set: Include spoon, fork, straw, and chopsticks.
- Bar Soap and Shampoo Bars: Plastic-free personal care.
- Bamboo Toothbrush: Biodegradable and sustainable.
- Reusable Cloth Napkins: Ditch single-use tissues and wipes.
- ■ Cloth Produce Bags: For shopping grains, pulses, and veggies.
- Coconut Coir Scrubbers: Natural and compostable dish cleaners.
- ■ Compost Bin (Khamba or DIY): For organic kitchen waste.
