

Balcony Garden Starter Kit

1. What's Inside a Balcony Garden Kit?

- Grow Bags or Planters (compact & breathable)
- Organic Potting Mix (soil + compost + cocopeat)
- Seeds: Spinach, Coriander, Mint, Cherry Tomatoes
- Tools: Trowel, Spray Bottle, Gloves
- Sunlight Plan & Watering Calendar
- Optional: Neem oil, vertical racks, labels

2. Common Beginner Mistakes to Avoid

X Overwatering plants

X Ignoring drainage holes

X Using poor quality soil

X Overcrowding pots

Checkmark Solution: Start with 3-4 easy plants and observe daily

3. Mini Quiz: Are You Ready to Start Gardening?

1. Do you get at least 4-6 hours of sun on your balcony?
2. Do you have 2-3 empty containers at home?
3. Are you excited to compost food scraps?
4. Do you like leafy greens and herbs?
5. Can you water plants 3-4 times a week?

If you answered YES to 3 or more - you're ready to grow!

4. Printable Checklist

- Grow Bags or Containers
- Balanced Soil Mix (compost + cocopeat + soil)
- 3-5 Seed Packets (spinach, mint, tomato)
- Hand Tools (spoon, gloves, spray bottle)
