

# Air Pollution Drawing Challenge for Kids

## Welcome to the Air Pollution Drawing Challenge!

Let's fight air pollution with art! This 7-day challenge will help you learn, draw, and share creative ideas to protect our planet. Grab your colors and get started!

## 7-Day Drawing Prompts

- Day 1: Draw a polluted city vs. a clean, green city.
- Day 2: Draw the Earth with a face wearing a mask.
- Day 3: Draw people walking or biking instead of using cars.
- Day 4: Draw a clean sky vs. a smoky, polluted sky.
- Day 5: Draw trees acting as heroes cleaning the air.
- Day 6: Use old magazines or newspapers to create an eco-art collage.
- Day 7: Make a colorful poster with the message: 'Save Our Air!'

## Eco-Friendly Art Tips

Bonus Tips:

- Use recycled paper for your drawings.

## **Air Pollution Drawing Challenge for Kids**

- Share your drawings with friends and family.
- Post online with #AirPollutionDrawing and #SaveTheEarth.
- Host a mini art show at home or school!
